

belle de maïa

Les Thermes

The ancient vaults revisit **the art of the Roman baths**. A Pompeian ceiling, walls in plaster vibrations resting on large marble columns.

Subtly sheltered behind golden stone vaults, you can enjoy a **wellness area** open every day from 7am to 10pm.

THE POOL

Heated indoor pool of 20 meters, placed on a sublime black and white marble checkerboard.

THE SPA

Jacuzzi, sauna, hammam and fitness room.

TREATMENTS

Massages and Facial Treatments available by appointment from 10am to 8pm.

Direct booking at Les Thermes front desk or directly with the concierge.

VALCENA FACIAL TREATMENTS

1h 160 euros

A beauty consultation is offered in all our facial treatments.

Damaskin Pureté Combination to Oily skin

Refreshing Rose Facial

Combining effective formulas and pleasant textures, this facial provides a targeted solution for diminishing skin tone imperfections and irregularities. Experience an unrivaled moment of well-being and enjoy a clear, healthy-looking complexion.

Damaskin Hydratation Normal to deshydrated skin

Skin-quenching Rose Facial

With hydrating and skin-quenching properties, this treatment will envelop you in a cocoon of gentle softness. Experience a unique journey that begins with a seed and culminates with the blossoming of Rose Damascena. This customizable treatment can be adapted to provide a targeted solution for your needs.

Damaskin Nutrition Dry skin

Delightful Rose Facial

A true concentrate of gentleness, this treatment is an invitation to sweet escape. A deep delight for the skin, the treatment leaves it feeling supple and nourished. You feel pampered and your skin experiences incomparable comfort.

Damaskin Jeunesse Mature skin

Eternal Rose Facial

By combining unique formulas and cutting-edge techniques, your skin's vitality and youthful radiance is completely restored. The ultimate anti-aging treatment, it targets the main factors responsible for skin aging.
